CREATIVE URBAN LIGHTING AND FURNITURE

ABOUT US

Zilux inc. is a spin-off company founded on the bases of passion and love of innovation.

The owner cumulates over **40 years of experience** in manufacturing of outdoor decorative siding and lighting products.

The company has combined the use of cutting-edge new technologies with state-of-the art inkjet printing equipment to offer new family of ground-breaking Urban Creative Outdoor lightposts, columns and bollards.

Zilux offer is not only unique by its technology, but also allows great design possibilities that will inspire you in your development projects.

DIGITAL PRINTING

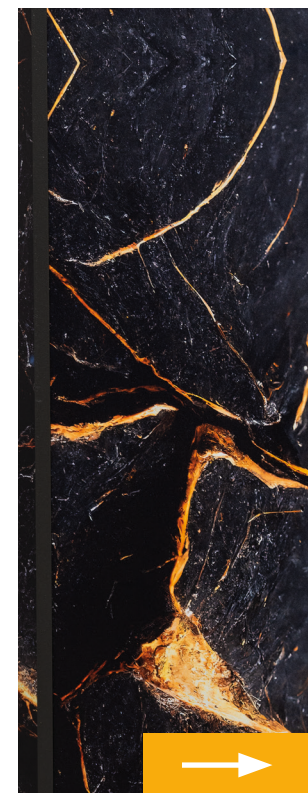

Digitally inkjet printed surfaces with high-definition images of various textures.

"DUROCLEAR" COATING

Application of a protective UV clear coat "DUROCLEAR" to increase long-term durability, protect against fading and extended life weathering.

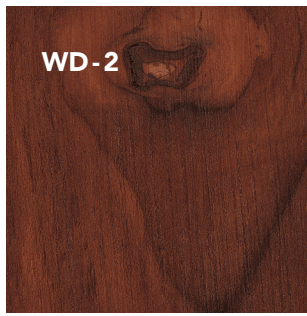

DIGITAL PRINTING | ARTISTIC DESIGN BY CNC CUTTING | CREATIVE DESIGN
